L'immigration : une question de politique nationale ou internationale ?

En 2016, le camp de migrants à Calais a été démantelé et environ trois mille sans-papiers ont été transférés dans des centres d'accueil répartis sur tout le territoire français. Pourtant, le problème est loin d'être résolu : de nombreux migrants continuent à affluer vers Calais, où leur présence cause des soucis pour les habitants et pour les autorités municipales.

Questions

- Que dit-on ici sur le problème des migrants à Calais ?
- Quelles sont vos réactions aux informations données ?
- Selon ce que vous en savez, quelle est l'importance de l'immigration, en France, ou ailleurs dans le monde francophone ?
